CAMPUS ENGAGEMENT ACTIVITY

IMI Kolkata is dedicated to groom its students as successful Business Leaders. They are encouraged to gain experiences in various business activities, such as work on live projects, participate in corporate competitions, etc. Our “Leadership Lecture Series” is designed to increase students’ understanding of leadership and communication in teams. Such skills are considered as essential for any business success.

Our consistent track record of 100% placement year after year and the portfolio of companies that recruit from IMI Kolkata, exemplify the quality of our students and the academic rigour that is followed meticulously.

Corporate Competition

The competitions are a platform for students to provide solutions for real-time business challenges that are encountered by corporate organizations. They equip the students for the job roles that they will take on in the near future. Students in IMI Kolkata take part in corporate competitions organized by major corporates like – Deloitte U.S., YES Bank, EY, ICICI in collaboration with CII.

Business Thought Leadership Series

Leadership Lecture Series are conducted in IMI Kolkata, where senior corporate executives interact with the students and share meaningful insights with them. It provides a platform for the business students to perceive practical business aspects. Industry leaders from AmbujaNeotia, Cognizant, National Stock Exchange, Eveready, Mahindra Finance among others have participated in these forums.

Live Projects

Corporate organizations provide students with short-term projects that provide them an opportunity to apprise themselves about various practical domains. Students choose to work in the projects spanning varied industries and sectors to enhance their cross-functional skill sets. This year, students have participated in live projects offered by Future Retail, QED Tangram (erstwhile Dun & Bradstreet).
